Conscious design is the hallmark of 1745 Coralee Dr. Loving attention to detail and classic style have created this serene retreat. Many upgrades mean that 1745 Coralee is move-in ready, just waiting for you to enjoy this level-in home set in a Japanese garden. Create gourmet delights in the newly remodeled kitchen to share with friends in the formal dining room. Curl up in front of the elegant fireplace with a book, or watch the game or a movie in the spacious living area. Relax in the fenced backyard under the fruit trees.
