

LETTER FROM THE SELLER

## 3212 Camino Colorados, Lafayette

3212 Camino Colorados may be just an address to a future family, but it is a loving and fierce legacy for this departing family. This address was loved and lived in by one family, our Swantner family for over 40+ years. My brother and I were raised in this home and enjoyed the privilege of walking a short distance to an exceptional school, Burton Valley Elementary together.

As my brother and I expanded our own families, this home remained our safe and happy foundation. We brought home to Mom and Dad - our spouses, then grandchildren and most importantly, looked after and cared for our elder parents in this special place. Mom and Dad loved this place and their presence made it our Home. The home they built through exceptionally hard work and sacrifice is now a gift to us. What a blessing! The family friendly neighborhood and surrounding community have always looked after one another. It is more than an address; it is a home in every sense of the word. It is a place where family and friends always felt welcomed and loved.

We hope another family can make as many happy memories here as we did. We wish the future inhabitants the same joy, peace, celebration and love that our family experienced here.
