

50 Essex Court, Oakley

What we LOVED about living here...

We can't believe we are actually selling and leaving our wonderful little 'court off a court' with just 5 homes and all fabulous original owner-neighbor friends that we love so much. It is such a quiet location and so little traffic. We have always loved the layout of this home, the fact that there are no stairs anywhere, the airy vaulted ceilings, the spacious floor plan, and all the storage in the 3-car garage and double attic access ladders. Being so close to shopping and community was always a huge plus too!

We absolutely adored raising our three amazing children in this home, and the private resort-like backyard was always the place for family to gather for celebrations and entertainment. We said over and over we don't know how we can leave this special place (and very special backyard!) but it's time for us to move closer to extended family and let this lovely home bless another family as much as it has blessed us.

Yours, Tony & Terry
